"Work with us to create a healthier planet for you, your children, grandchildren & future generations."

- Residential Community Composting Program: \$2.30 Per Week!
The lowest cost way in the area to compost food scraps from the home level.
- Pickup of bagged leaves.
- Commercial food scrap collection including restaurants, schools, hotels, businesses, and events. We pick up weekly using 35 gallon totes that we provide and rinse.
- Pickup, hauling, & drop off locations for commercial scale wood chips, manure & bedding, sawdust, leaves, hay, & some yard debris.
